## Message from the Editors

Towards the end of the busy year, we have a series of activities and events including the College Annual Social Function, Paediatric Update, Annual General Meeting, admission of new fellows and members ceremony and the annual dinner following. Please mark your calendar and get back to us your participation if not already so.

## 27<sup>th</sup> AGM, Fellows Conferment Ceremony and Annual Dinner – 1 December 2018 (Saturday)

This is a cordial reminder to all Fellows/ Members/ Associate Members to participate at the 27th Annual General Meeting of the College which will be held on 1 December 2018 (Saturday).

As announced in the last Newsletter, the busy day on 1 December begins with a Paediatric Update No. 2 seminar in the afternoon at Lim Por Yen Lecture Theatre, G/F, HKAM Building. The Seminar will be focusing on an Integrated Approach of Child & Adolescent Mental Health. For details please refer to the Education Committee announcement.

Our 27th AGM will start at 6:30 pm at Lim Por Yen Lecture Theatre, G/F, to be followed by the solemn Fellow Admission Ceremony graced by the presence of notables from the medical and health profession and representatives from our sister Colleges. At this year's Ceremony, there will be Admission of First Fellows from the newly accredited Subspecialty, the Subspecialty in Paediatric Endocrinology. We sincerely congratulate all the First Fellows, New Fellows / Subspecialty Fellows and New Members who will receive their hard-earned certificates.

The climax of the day is certainly the Annual Dinner at the Run Run Shaw Hall, HKAM Building. Please do mark this date in your diary, invite your beloved family and your colleagues to join this annual event, and remember to complete and return the attached **Registration Form (appendix 1)** to the College Secretariat.

### Annual Social Function 2018

#### A Joyful Day Tour to Sha Tau Kok (沙頭角) to visit:

禁區邊界、鄉村學校、戰事遺跡、沙頭角農莊、有機種植場、小火車展覽館、沙頭角海、紅樹林、小小動物園、農莊盆菜午餐一天

The College Social Function for a happy day tour to Sha Tau Kok will take place on **18 November 2018** (Sunday).

Our Committee has been working with young College members to come up with this social function that should attract both the young and more senior colleagues and their families to participate.

We shall be going for a full-day tour to visit the characteristically nostalgic rural village and farm in Sha Tau Kok, details can be found in the attached itinerary.

This fun-filled event will bring a fantastic outing to all participants with unique attractions, wonderful sceneries, a gourmet meal as well as a happy and warm gathering. Hakka cuisine (盆菜 pén cài) lunch will be served inside the Sha Tau Kok Farm.

After subsidy by our College, the price is HK\$150 for adults and children aged 12 years and older, HK\$80 for children aged 3-11 years old, and Free for those 2 years and younger. Registration is on a first-come-first-served basis, please send the reply slip with your cheque payment to the College.

The deadline for registration is **25 October 2018**.

## Welcome Message

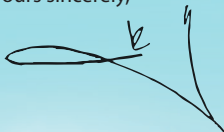

On behalf of the organizing committee, I would like to invite you to the 21<sup>st</sup> HKSPRA Annual Scientific Meeting which will be held on 20 – 21 October 2018 in the Cordis, Hong Kong.

The Society has made substantial development since its establishment in 1997, the annual meeting has become an important event for members of the Society. It will provide a strong scientific programme, enjoyable social activities, and importantly an opportunity to exchange professional practice. The participants have included paediatricians, general practitioners and allied health professionals including nurses, dietitians, occupational therapists, pharmacists, physiotherapists and medical students.

The organizing committee has invited a faculty of overseas and local leading speakers in this field to present their cutting-edge view of the current knowledge and practice. They will deliver state-of-the-art lectures in allergy, critical care, home respiratory support, nutrition, pulmonology and sleep disordered breathing. A variety of communication formats and learning modes will be featured including courses & workshops, oral presentations as well as exhibition of medical products and equipment. The Meeting will provide healthcare professionals an invaluable opportunity to learn the latest advances in paediatric respirology and allergy.

We look forward to warmly welcoming every delegate. The annual meeting will certainly be a valuable and fruitful experience.

Yours sincerely,

**Dr. Daniel Ng**  
Chairman  
Organizing Committee
