### Message from the Editors

Our annual social function is scheduled for 28 November 2010 and the organising committee has put together an excellent programme for the day, read below for further details and make sure you mark your diary and come support this fun-filled event.

### Announcement of 19th AGM, Fellow Admission and Annual Dinner

This is a cordial reminder to all Fellows/ Members/ Associate Members to participate at the 19th Annual General Meeting of the College which will be held on 4 December 2010 (Saturday).

As announced in the last Newsletter, at 3pm there will be a scientific meeting of Paediatric Update Series No. 3 Seminar on Paediatric Imaging (appendix 1). Please kindly refer to a separate announcement of the Education Committee in the Newsletter. The venue is Pao Yue Kong Auditorium, G/F, HKAM Building.

After a cocktail reception will be our 19th AGM starting sharp at 6:45 pm and the solemn Fellow Admission Ceremony graced by the presence of notables from the medical and health profession and representatives from our sister Colleges.

The climax of the day is certainly the Annual Dinner at the Run Run Shaw Hall, HKAM Building. Please do join with your loved ones and families. We strongly encourage everyone to reserve tables with fellow colleagues and old-time classmates / friends. You will all be guaranteed for an evening of memorable reunions and discoveries of new friendships, at such low cost (\$150 per head) and no effort at your end! Remember to complete the attached Registration Form (appendix 2) and send it back to the College Secretariat.

### Revamp of the College Website

The College Council at its recent meetings endorsed to enhance the College website so as to more effectively perform its functions. The House Committee has been invited to explore options including in particular sourcing a commercial web design company to service the website.

Currently, the functions of the College website include:

- CME enquiry
- Announcements – examinations, lectures, courses, official statements
- Newsletter archives

- Portal for educations – HKJPaed, Paediatric Care Online, guidelines
- Photo gallery
- Useful links
- College structures

The House Committee recommended the following additional enhancements to be considered in the new website:

1. To streamline content update with Content Management System (CMS)
2. To explore tools for updating and archiving CME events endorsed by the College
3. To determine theme colours and general theme design in the web site
4. To consider other special requirements in the maintenance contract

Our IT-wise colleagues, Dr Po Wan KO and Dr Wilfred LEUNG have kindly taken up this daunting task of navigating the revamp of the website with potential web design companies. The House Committee sincerely invites suggestions and comments on this subject. Your input is most welcome and expected, hopefully, by the end of Oct 2010.

### **Call for photographs for the 20th Anniversary Book**

Two decades can have easily gone by before many of us really think about it! In December 2011, our College will be celebrating its 20th Anniversary. An exquisite book highlighting not only our achievements but also our fond moments is under preparation by a committed editorial board led by Dr William WONG. The board requests all to look into our individual treasure boxes for images of our College activities including official, educational and of course recreational events, local and abroad. Please either scan them (much preferred) or send the original pictures to the Secretariat (Ms Prudence Tang, Email: [enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk)). We shall take every precaution to send back the originals to you in good condition.

### **Bill Marshall Fellowships**

An internationally known altruistic scholar and superb teacher, Prof Bill Marshall is well remembered by our College community as many of our Fellows and Members have been the beneficiaries of this prestigious Fellowship sponsored by the Bill Marshall Memorial Fund. The College would like to alert members that the Fellowship is now open for application. For more details, please refer to the link below:

<http://www.ucl.ac.uk/ich/education-ich/bmfellowship>

Please note that the application deadline is 15 October, 2010.

## **Subspecialty Development in Paediatric Respiriology**

The Council of the Hong Kong Society of Paediatric Respiriology, together with colleagues in the two Universities, major public hospitals and the private practice, has formed the Paediatric Respiriology Subspecialty Accreditation Group. It is appealing to all Fellows of the College practising or interested in the field of Respiriology to participate and contribute in their accreditation application. If you are interested, please follow the link provided below to retrieve an appeal message by Dr Alfred Tam, Convenor of the Group, and complete a reply form to him.

## **Announcement from Professional and General Affairs Committee Annual Social Function 2010**

The College Social Function will take place on the 28<sup>th</sup> November 2010. Come join us to the Geopark for a whole day tour! We shall gather in the city in the morning to be transferred to Ma Liu Shui Ferry Pier by coach. The launch will first take us to Lai Chi Chong to see the sedimentary rock platform. Thereafter, we shall head for Tap Mun Island for a short walk and seafood lunch. It is then followed by a trip to the Hoi Ha Marine Park including a ride on the “Glass-bottom” boat to observe the coral community. The whole trip will end at about 6pm upon return to the city.

Please refer to the itinerary, lunch menu and reply slip attached for details. Places are limited to 40 and registration is on first-come-first-served basis. Please send the reply slip (Appendix 3) to the College by fax 2785 1850 or by email: [enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk) followed by your cheque payment. Deadline for registration is 6 November 2010.

## **Announcement from Education Committee**

### **Paediatric Update Series**

The Paediatric Update no. 3 (Symposium on Paediatric Imaging) is scheduled on **Saturday 4<sup>th</sup> December 2010** from 3 pm – 6 pm before the College AGM at the Hong Kong Academy of Medicine Building, Pao Yue Kong Auditorium. Thanks for the collaboration and support from the College of Radiologists, there will be presentations on the imaging of “paediatric stroke” and “neonatal chest”, and a session of interesting cases for discussion. Don’t miss this great opportunity to participate in this College CME activity and do stay behind for the College AGM and Annual Dinner in the same evening (Appendix 1).

### **Child Protection Course**

The College will be conducting the 4<sup>th</sup> Course on Child Protection on Saturday, 6 November 2010. It will be a whole day training course consisting of role play, lectures, group and class discussions. Associate members, Members and Fellows of the College are welcome to apply but priority will be given to trainees since the course has become a mandatory requirement for the Paediatric Fellowship curriculum. The **deadline** for application is **12 October 2010**. Application form and announcement poster are attached with this newsletter (Appendix 4).

Hong Kong College of Paediatricians  
Annual Social Function: Sunday, 28<sup>th</sup> November 2010

行程簡介：

08:00 指定地點集合，乘旅遊巴前往馬料水碼頭，轉乘遊覽專船出發。

@ 抵達遊覽**荔枝莊**，團友可欣賞未受破壞的紅樹林生態，而在碼頭以西的岸邊可欣賞龍水、褶曲岩石等地貌，其中褶曲地貌更與喜馬拉亞山的形成相同，團友可探索喜馬拉亞山之形成地貌。

13:30 午餐於**塔門新漢記大酒樓**享用**漁村海鮮宴**。

@ 遊覽塔門『塔門』是個有濃厚漁村風味，環景優美的小島，島上可供暢遊的地方有市內的天后古廟，島東面由奇石堆疊而成塔門呂字疊石、海心亭、弓背灣海灘、五線譜步行徑。

@ 乘專船於**海下轉乘玻璃底專船**，觀賞海下珊瑚奇景。海下灣自1996年7月5日劃定為海岸公園之後，它便開始廣為市民熟悉——這裡就是以海洋生物豐富見稱的海下灣海岸公園。這個開口向北、呈U形的海灣，由於沒有大河流將大量泥沙匯入，故海水能常保清澈，鹽度充足；沒有大風浪的沖擊，灘岸又淺，更遠離人為干擾，是孕育珊瑚的理想地方。海下灣海岸公園有繁茂的珊瑚群落，至少有59種石珊瑚可在該處找到。以這個珊瑚群落為家的魚類，更錄得超過120種，進一步確認該處的生態價值。（每隻玻璃底船可容納**10**位客人）

18:00 遊覽專船返抵碼頭，轉乘專車回程集合點解散。

（行程之先後次序及用餐時間只作參考，以當天導遊為準）
