Important notes:

1. Please submit this application form, together with electronic copies of certificates for any quotable professional qualifications, by **30 September 2024 (Mon)** to the Secretariat of the Hong Kong College of Paediatricians by email: angel.lam@paediatrician.org.hk or by post to

   Dr YAU Ho Chung – Hon Secretary, PE Subspecialty Board
   c/o Angel Lam, Secretariat Office
   Room 801, Hong Kong Academy of Medicine Jockey Club Building
   99 Wong Chuk Hang Road, Aberdeen, HONG KONG

2. To confirm your application for exit assessment, you must also submit a **portfolio** containing your:
   i) curriculum vitae*,
   ii) logsheets of Minimal Clinical Experience (Appendix I),
   iii) Progress Summary of Trainee (Appendix II),
   iv) Progress Assessment of Clinical & Professional Competence (Appendix III)
   v) Attendance record of the laboratory-endocrinology lectures

   up to 31st July 2024 (Wed)

   together with a **cheque** in the amount of **HK$6,000** for assessment fee made payable to "Hong Kong College of Paediatricians", by the same deadline, i.e. **30 September 2024 (Mon) (postmark)**. You will be informed of College's acceptance of your application to sit for the PE Exit Assessment in due course.

   **Please include the following information in your curriculum vitae:*
   - *Clinical rotations fulfilling the requirement of PE training, and training supervisor(s) for each rotation*
   - *A representative month's work schedule and sessions related to PE training*
   - *Participation in professional meetings and conferences*
   - *List of presentations made in departmental, local and regional / international meetings*
   - *Service and guideline development*
   - *Teaching/Research experience*
   - *Certified true copies of certificates for any quotable professional qualifications*

   vi) TWO dissertations on topics related to Paediatric Endocrinology are required to be submitted as well, one of which, either a research study or case report must be published or accepted for publishing by a peer-reviewed journal. Only one paper on case report is allowed. At least one paper should be on Paediatric Endocrinology or Diabetes Mellitus (only one paper on Inborn Error of Metabolism is allowed). All should be submitted to the Secretariat by **30 September 2024 (Mon) (postmark)**.

   vii) In the event of a discrepancy in the submitted training record and the actual training undertaken by a trainee being detected, the College reserves the right to declare the assessment result as invalid and the candidate would have to re-sit the Exit Assessment after the training deficiency had been corrected.
