Message from the Editors

Two important college events are coming soon, namely the annual social function and the annual general meeting, fellows conferment and dinner. Read on for more details.

25th Annual General Meeting

A SPECIAL WEEKEND on 3-4 December 2016 -- 25th Annual General Meeting, 4th Annual Scientific Meeting cum 5th Hong Kong-Guangdong-Shanghai-Chongqing Paediatric Exchange Meeting, Fellows Conferment Ceremony cum 25th Anniversary Celebration Dinner – that we just can't afford to miss!

We are counting down the days to the 25th College Annual General Meeting and a milestone-making Annual Scientific Meeting that spans 1.5 days.

The SPECIAL WEEKEND starts at 9:00 am on 3 December with a full day-programme of scientific sharing and exchange. The educational content of the ASM is amazing, encompassing presentations by Asian representatives & regional paediatric colleges, inter-subspecialty case discussion and a Young Fellow / Trainee session on Challenges in paediatric service. The 25th AGM will be conducted at 6:30pm, to be followed tightly by the solemn yet joyful ceremonies of the Admission of New Members and Conferment of New Fellows.

At 8:15pm will be our fraternity-filled Annual Dinner. New Members and Fellows, and their spouses / family members are cordially invited. We all, of course, shall treasure this golden occasion to have a fine meal and to enjoy heartily with friends in the College community. At a generously sponsored fee of \$200 each person, it's too good to pass. So, please hurry to invite your beloved family and your colleagues to join the great event!

Yet, please don't forget the second half of this year's events! Come again early the next morning to join another day of scientific and educational inspiration.

What we should do now –

1. Mark this weekend in your calendar in a special way
2. Get registered for the ASM and Annual Dinner as soon as possible (Please refer to **Appendices 1 and 2**)
3. Sleep well on 2 December evening

See you all on 3-4 December!
