## Message from the Editors

Towards the second half of the year, there will be important events organized by the College, including the Annual Social Function (18 Nov 2018) and the Annual General Meeting (1 Dec 2018). Also, two courses will be held (the Child Protection Simulation Training Course, 7 Oct 2018; PALS Course, 13-14 Oct 2018). Please mark your calendar.

## 27<sup>th</sup> Annual General Meeting on 1 Dec 2018

We are pleased to announce that the 27<sup>th</sup> Annual General Meeting (AGM) of the College will be held on **1 December 2018 (Saturday)**. As we know, this is the biggest College event every year.

Following suit is the conferment of Fellowships, certificate presentation to Subspecialty Fellows of Paediatric Immunology & Infectious Diseases, Developmental-Behavioural Paediatrics, Paediatric Respiratory Medicine, Paediatric Neurology and First Fellows of the Paediatric Endocrinology Subspecialty, as well as the welcome to New Members and New Associates. The Ceremony is always well attended by officials of the HKAM, Sister Colleges, notables from the medical and health profession and statutory organizations. It is a solemn but touching moment for all present.

The 2018 Paediatric Update No. 2 Seminar will be held immediately preceding the AGM and Conferment Ceremony. The theme will be around an integrated approach in the management of child and adolescent mental health. More details about the Seminar will be announced in the next College Newsletter. Please stay tuned.

The fun of the day can only be complete when we join the Annual Dinner at the Run Run Shaw Hall where we can all relax and indulge in a special evening of fraternity and passion.

So, please be sure to mark on your diary this date, **1 December**, invite your beloved family / best friends / fantastic colleagues to join in, and be kept in tune with further announcements!

## Child Protection Simulation Training Course 2018

The College will be conducting the Child Protection Simulation Training Course on **7 October 2018 (Sunday)** at Hong Kong Academy of Medicine Jockey Club Building. It will be a whole day training course. Associates, Members and Fellows of the College are welcome to apply, and the priority will be given to trainees. Kindly note that the above-mentioned course has become a mandatory requirement within the six-year of paediatric training of College trainees who start their basic training on or after 1 July 2009.

Application is open now and will close on 9 September 2018. Application form and poster are attached for your reference and information (**Appendix I**). You can also click the following link for detailed information:

# PALS 2018

## Paediatric Advanced Life Support Course (PALS) 2018

To: All Fellow, Members and Associates of the College

The annual PALS Provider Course will be held on **13-14 October 2018 (Saturday & Sunday)** at TSK A&E Training Centre. The course is now open for registration. Doctors working in HA Paediatric Department will be sponsored by HAHO.

Enrolment form is available at <http://www3.ha.org.hk/aetc/enrollment.htm>. For enquiry, please call: 3553 3300, or email to [aetc\\_rhtsk@ha.org.hk](mailto:aetc_rhtsk@ha.org.hk)

The PALS Course is part of the College Basic Training Curriculum. College trainees are required to complete the PALS Course before the end of their Basic Training period.

## CME subcommittee

### 1. Feedback on survey of CME/CPD guideline for New cycle

The College is planning to revise the CME/CPD guidelines for the next cycle (2020 – 2022) to keep up with the latest practice of acquiring professional knowledge. Fellows' feedback in various sectors are very important. We are also planning to conduct a survey on revision and its operation by end of this year. Please give your advice and proposal on the content of the survey through email to our College secretariat, [enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk). Fellows' valuable idea on the survey on or before 30 September would be much appreciated.

### 2. Reminder on CME cycle 2017-2019

We are sure that you are aware of your necessity to acquire a minimum of the following CME activities, according to the mandatory requirement of the Hong Kong Academy of Medicine:

- at least a total of 90 points in the 3-year cycle and,
- of which, at least 30 points from Cat. A and,
- of which, at least 15 active CME points

As there are 1.5 years before end of the 2017-19 cycle, please ensure that you will have sufficient time to complete the requirement or at least, the minimum of 60 points which is needed to fulfil the remedial requirements.

Fellows are encouraged to view your CME attainments at <http://www.icemcpd.hk> which is hosted by HKAM. please contact HKAM Secretariat at (852) 2871 – 8888 for iCMECPD login information if necessary.

**If you have decided to become a Retired Fellow of the Academy, please submit your application to Academy before 31 December 2019 while your Specialist status is still valid.**

**if CME points acquired are less than 60 points by end of 2019, you will NOT be entitled for remediable. As result, your Paediatric Specialist status will be removed the Hong Kong Medical Council Specialist Registration list.**

Kindly also note that from College CME guideline 5.10 'Once a Fellow **fulfilled the minimal requirement for the 3-year cycle**, he /she would be informed in writing, after which, **further individual CME application will not be processed** to relieve secretarial workload.'

### Annual Social Function 2018

#### A Joyful Day Tour to Sha Tau Kok (沙頭角) to visit:

禁區邊界、鄉村學校、戰事遺跡、沙頭角農莊、有機種植場、小火車展覽館、沙頭角海、紅樹林、小小動物園、農莊盆菜午餐一天

The College Social Function for a happy day tour to Sha Tau Kok will take place on **18 November 2018 (Sunday)**.

Our Committee has been working with young College members to come up with this social function that should attract both the young and more senior colleagues and their families to participate.

We shall be going for a full-day tour to visit the characteristically nostalgic rural village and farm in Sha Tau Kok, details can be found in the attached itinerary.

This fun-filled event will bring a fantastic outing to all participants with unique attractions, wonderful sceneries, a gourmet meal as well as a happy and warm gathering. Hakka cuisine (盆菜 pén cài ) lunch will be served inside the Sha Tau Kok Farm.

After subsidy by our College, the price is HK\$150 for adults and children aged 12 years and older, HK\$80 for children aged 3-11 years old, and Free for those 2 years and younger. Registration is on a first-come-first-served basis, please send the reply slip with your cheque payment to the College.

The deadline for registration is **25 October 2018**. Please refer to **Appendix II** for details.

## Young Fellow's Subcommittee

A guided tour was organised for young doctors to visit Hong Kong Children's Hospital. Led by Dr Lee Tsz Leung and his team, over 50 young fellows, members and associate members were taken through the hospital and experienced how patient-centred designs were incorporated into its vast infrastructure. The Young Fellow's Subcommittee would like to thank all organisers and participants. With such encouraging turnout, we look forward to seeing our young colleagues again in upcoming events.
