Dear Colleagues,

Following the CSB fora conducted for the College Fellows and COSs held on 28 February 2019 and 2 March 2019, respectively, regarding an interim review of the subspecialty accreditation process, with support of the College Council, the Committee for Subspecialty Boards (CSB) would like to organise a forum for the College Trainees in order to provide further opportunities for young Paediatricians to provide direct feedback to the College on their perceived impact of the subspecialty accreditation on service, training and career development.

As a Member of our College, you are cordially invited to join the Forum. Your participation at the Forum to share your views and provide us with suggestions for how to further proceed with subspecialty development would be much appreciated.
