### Message from the Editors

It's our college 20<sup>th</sup> anniversary this year, and the programme details can be found in this issue of the newsletter. More importantly, do mark your diary and come join us on the day.

### Development of Primary Care in Hong Kong – Our Issues

In response to the SAR Government's release of the *Strategy Document on Primary Care Development in Hong Kong* in December 2010, on 3 August 2011, our College President invited Dr York Chow, Secretary for Food and Health to a lunch meeting. Participants included Prof Gabriel Leung (Under Secretary for Food and Health), Ms Sandra Lee (Permanent Secretary for Food and Health), Dr PY Lam (Director of Health), Dr PY Leung (CE, Hospital Authority), Dr SV Lo (Director, Strategy & Planning, Hospital Authority), Dr Amy Chiu (Head, Primary Care Office, DH), Dr Betty Young (representing Prof Sian Griffiths, Convenor of the Task Force on Primary Care Conceptual Model and Preventive Protocols), and representatives of our College, namely, Prof NK Leung, Prof L Low, Dr CW Chan, Dr CB Chow and Dr Winnie Tse.

The President expressed our College's stand that children and adolescents are best cared for by paediatricians in the primary, secondary and tertiary health settings that cater to their medical, psychosocial and developmental needs. In the developed countries, it has been well proven that primary care models that capitalize paediatricians' contributions are most cost-effective. Our primary care delivery model thus needs to be embracive and should logically include paediatricians in frontline primary care of children.

Our request to send College representation in the various working groups and task forces on primary care was also expressed at the meeting.

The Primary Care Office of the Department of Health has set up a Primary Care Directory of practitioners involved in providing first-line medical attention to the public. Interested College members may register with the Directory ([www.pco.gov.hk](http://www.pco.gov.hk)). At the meeting, we were reassured that the Directory at present does not carry any bearing on health insurance payments. However, as far as we are aware, for Hospital Authority (HA) staff, only practitioners working in the Accident and Emergency Department and Family Medicine are eligible for registration. HA colleagues working in Paediatrics are not. However, university-employed paediatricians are eligible for registration as they may be providing primary care in their setting.

The College Council will continue to monitor the progress of primary care development for the paediatric age-group and update our colleagues appropriately.

## **Before the Christmas bell jingles, let's celebrate – Our College's 20<sup>th</sup>**

### **Anniversary on 10 Dec 2011**

We are weeks closer. We have all heard about it. It's our College's 20<sup>th</sup> Anniversary Celebration on 10<sup>th</sup> December, 2011 (Saturday).

The Organising Committee led by our President and tenaciously working for more than one year has a lot to offer – a whole-day Annual Scientific Meeting with eminent speakers from the UK, Mainland, Singapore, Malaysia and Taiwan, the HM Lui Memorial Fund scholars, and certainly our local colleagues; Fellows Conferment and Members Admission Ceremonies; 20<sup>th</sup> Annual General Meeting, and, the 20<sup>th</sup> Anniversary Celebration Dinner. We, the College Family, indeed have a lot to expect and enjoy.

So, disseminate this important event to all you know within the College Family. Support by getting registered ([http://www.paediatrician.org.hk/edu/20ASM10HMLMF\\_reg.pdf](http://www.paediatrician.org.hk/edu/20ASM10HMLMF_reg.pdf)), inviting your family to share the fun, calling up your classmates and sponsoring those you care to join us. For long, you will cherish that you have done so.

It's a landmark in our College's history that we shall make together.

For more information, see **appendix 1** or please go to

<http://www.paediatrician.org.hk/councilnews.htm#education>

### **Announcement from the College**

"A Seminar on "Moving Towards Mother-Baby-Friendliness" to promote breastfeeding will be organized on 1-3 December 2011 at HA lecture theatre by the Department of Health, and co-organised by the Hong Kong College of Paediatricians, Hong Kong College of Obstetricians and Gynecologists, Hong Kong College of Family Physicians, and Hospital Authority. All interested are welcome to enroll. Please see the attached poster and registration form (**appendix 2**)."

### **Announcement from the Hong Kong College of Paediatricians Foundation**

The Foundation's 13<sup>th</sup> Annual General Meeting was held on 20th Sept 2011 at the Jade room, Marco Polo Hong Kong Hotel. Dr. Cheung Kam Lau gave a lecture of "What's new in Neonatal and Paediatric Resuscitation" and the lecture and dinner were attended by over 40 members and guests.

### **Call for Application to be First Fellows for the Subspecialty of Paediatric Immunology and Infectious Diseases (PIID)**

The Working Group on Accreditation of Paediatric Subspecialties in Hong Kong wishes to announce that the formal process of accreditation of the Subspecialty of PIID under the College has started. Fellows who had the Subspecialty training and practiced in the Subspecialty are encouraged to apply to be First Fellows. All Fellows should have received email announcement already. Interested Fellows can also read and download the announcement and the **First Fellows Application Form** from the College website through the following sections:

Special Announcement → Working Group on Accreditation of Paediatric Subspecialties → Application of Paediatric Immunology and Infectious Diseases

Please note the **deadline for application will be on 2<sup>nd</sup> November 2011**.

### **Announcement from Professional and General Affairs Committee**

#### **Annual Social Function: tour to Sai Kung Islands on 25/9/11**

The sea tour to Sai Kung section of the Geopark was attended by a record high of 81 participants. Though access to Po Pin Island and boat ride through caves were not allowed by the rough sea and strong easterlies that came earlier than expected, participants already had enough excitement viewing the spectacular hexagonal rock formations, caves and arches while experiencing the

strong waves. Curtailment of the sea activities was compensated by a visit to Yim Tin Tsai. Other than a glimpse of the St Joseph Chapel (its restoration winning UNESCO award), we were introduced to the interesting plants by our enthusiastic eco-guides. Photos will be uploaded to the College website for your interest (<http://www.paediatrician.org.hk/gallery/>).

## **Announcement from Examination Committee**

### **Temporary Relaxation of the 3 MRCPCH Clinical Attempts Regulation**

The Royal College of Paediatrics and Child Health (RCPCH) has implemented a trial relaxation of the 3 clinical attempts regulation in MRCPCH Clinical Examinations. The trial period will begin from October 2011 until February 2012. Under this relaxation rule, candidates are not required to re-sit the Part 2 Written Examination after exhausting their 3 Clinical attempts during this trial period.

Only candidates applying for the MRCPCH 2011/3 & 2012/1 diet of the UK or Overseas examination AND have not attempted the MRCPCH Part 2 examination will be permitted to apply under this relaxation of the regulation. If the candidate has had 3 attempts at the MRCPCH Clinical and has sat the MRCPCH Part 2 Examination, he/she must still pass this Part 2 Examination before being allowed to sit the MRCPCH Clinical Examination again.

## **Announcement from Membership Committee**

The following doctors were recommended as Associates with recognized basic training starting from 1.7.2011

CHAN Yau Ki, Wilson  
CHEONG Kai Ning  
CHEUNG Wing Lum  
CHOW Chit Kwong  
LAM Jenks Albinus  
LEUNG Kai Bond  
SIT Kei Kei, Jacqueline  
TO Pui On, Simon  
WONG Hoi Yi

The following doctors were recommended for elevation to Members and the effective date of commencement of Higher Training starting from ( )

CHAN Kwong Tat (24.2.2011)  
LAM King Fai (24.2.2011)  
MA Vinci (11.1.2011)  
MAN Elim (26.2.2011)

The following Members who passed the Exit Assessment in June 2011 were recommended for elevation to Fellowship and nominated for FHKAM(Paed).

CHAN Wai Yin  
CHAN Yick Chun  
HO Po Ki  
HUI Wun Fung  
LAM Lai Na  
LOUNG Po Yee  
SO Mei Yue  
SUN Wai Fun  
TAM Yuen Shan  
TUNG Yuet Ling

## **Announcement from Education Committee**

### **The College 20th Anniversary Scientific Meeting cum HM Lui Memorial Fund 10<sup>th</sup> Anniversary Symposium**

To commemorate the 20<sup>th</sup> Anniversary of our College, we have organized the 20<sup>th</sup> Anniversary Scientific Meeting cum HM Lui Memorial Fund 10<sup>th</sup> Anniversary Symposium to be held on Saturday 10 December 2011 at the Hong Kong Academy of Medicine. This will be a whole day programme with 5 symposia and 17 lectures in which distinguished overseas and local speakers will cover the main theme of “Recent Advances in Paediatrics”. Please join us at this major scientific event of the College. Your support and participation is of great importance to the success of the Symposium.

The programme poster and registration form are attached for your information (**appendix 1**). Detailed programme can also be obtained from the College website:

<http://www.paediatrician.org.hk/councilnews.htm#education>

The direct link for the registration form is:

[http://www.paediatrician.org.hk/edu/20ASM10HMLMF\\_reg.pdf](http://www.paediatrician.org.hk/edu/20ASM10HMLMF_reg.pdf)

The deadline for registration is **11 November 2011**.

### **Child Protection Course**

The College will be conducting the 5<sup>th</sup> Child Protection Course on Saturday, 26 November 2011. It will be a whole day training course consisting of role-play, lectures and class discussions. Participants will be sent case scenarios for pre-course preparation. Associates, Members and Fellows of the College are welcome to apply but priority will be given to trainees since the course has become a mandatory requirement for the Paediatric Fellowship curriculum. The deadline for application is **29 October 2011**. Application form and announcement poster are attached with this newsletter (**appendix 3**).

### **Archives of Presentations in Paediatric Update Series**

The presentation files for some of the previous Paediatric Update Series are now available for viewing on the College website. Members can access them through the “Members Section → Paediatric Update Series” or by clicking the following link:

<http://www.paediatrician.org.hk/member/>

College members can gain access to the presentation materials by entering the following username and password:

Username: **hkcpaed**

Password: **jcb801**

### **Pediatric Care Online - Extension of Registration to 31 Dec 2011**

The College Council has renewed the subscription to Pediatric Care Online with the American Academy of Pediatrics for another year starting in May 2011. However, members need to re-register for a TAP code to continue using the online service. We are pleased to inform members that the registration deadline is extended to 31 December, 2011. There are more than 200 codes still available. Although this is a little of a hassle, members, including newly-joining Associate Members, are encouraged to take advantage of this handy, user-friendly and comprehensive online support to facilitate daily clinical service. The website is [www.pediatriccareonline.org](http://www.pediatriccareonline.org).

### 'Recent Advances in Paediatrics'

10<sup>th</sup> December 2011 (Saturday)

Pao Yue Kong Auditorium, Hong Kong Academy of Medicine Jockey Club Building

<b>Programme:</b>	8:30-9:15	Registration	
	9:15-9:30	Welcome Address	Prof Pak Cheung NG (Hong Kong)
	<b>Symposium A</b>		
	9:30-11:10	More vaccines to more children	Prof Tony NELSON (Hong Kong)
		Pre- and probiotics in infant formula: what is the evidence	Prof Way Seah LEE (Malaysia)
		Importance of optimizing nutritional status of preterm babies	Dr Stephen Chin Yuen NG (Singapore)
		Early vitamin A and neurodevelopment	Prof Tingyu LI (Chongqing)
	<b>Symposium B</b>		
	11:30-12:45	Obstructive sleep apnoea syndrome in children in Mainland China	Prof Kunling SHEN (Beijing)
		Haematopoietic stem cell transplantation in children: 20 years experience in Hong Kong	Dr Chi Kong LI (Hong Kong)
		The clinic and research of MSC in haematology	Prof Jianpei FANG (Guangdong)
	<b>Lunch Symposium</b>		
	13:00-13:40	To give or not to give, the blood products issue in paediatric HUS	Prof Godfrey Chi Fung CHAN (Hong Kong)
		Nutrition and growth in early childhood: what is the evidence from randomised controlled studies?	Prof Ting Fan LEUNG (Hong Kong)
	<b>HM Lui Memorial Fund 10<sup>th</sup> Anniversary Symposium</b>		
	14:15-15:30	Neonatal cholestasis: from London to Hong Kong	Dr Chung Mo CHOW (Hong Kong)
		Exploring the etiology of neonatal cholestasis in Mainland China	Prof Jianshe WANG (Shanghai)
		Maternal and child mortality in Xinjiang Uyghur Autonomous Region, China	Dr Kuerbanjiang ABUDUXIKUER (Xinjiang)
		Intra-articular steroid injection in children with juvenile idiopathic arthritis: a local experience	Dr Assunta Chi Hang HO (Hong Kong)
	<b>Symposium C</b>		
	16:00-17:40	Whole exome sequencing for primary immunodeficiencies	Prof Yu Lung LAU (Hong Kong)
		Epidemiology of Streptococcus pneumonia infection in Asia	Dr Ping-Ing LEE (Taiwan)
		Paediatric practice and training in China – current reform and the future	Prof Yonghao GUI (Shanghai)
		Children's medicines: past, present and future	Prof Terence STEPHENSON (U.K.)
	17:40-17:45	Closing remarks	Dr Sik Nin WONG (Hong Kong)

## ***Seminar on Moving Towards Mother-Baby-Friendliness***

***Organizer:***

***Department of Health***

***Co-organisers:***

***Hong Kong College of Obstetricians and Gynaecologists, HKCOG***

***Hong Kong College of Paediatricians, HKCP***

***Hong Kong College of Family Physicians, HKCFP***

***Hospital Authority, HA***

Breastfeeding is the unequalled way to providing optimal nutritional, immunological and emotional nurturing for the growth and development of infants, with benefits proportional to its duration and exclusiveness. It is now well-known that early nutrition impacts on long term health, including the predisposition to chronic diseases in adult life. Promoting, supporting and protecting breastfeeding is therefore a public health priority. The Baby Friendly Hospital Initiative (BFHI) has been shown to be an effective intervention to improve breastfeeding rates. To date, there are more than 2000 hospitals worldwide accredited as "Baby-friendly".

For maternal and child healthcare facilities to go mother-baby-friendly, doctors such as obstetricians, paediatricians and family physicians play a crucial role in determining policies and practices. Together with the launch of the Multi-media Self-learning Kit on Breastfeeding, this Capacity Building Programme represents a concerted effort of the Department of Health and leading professional bodies in supporting maternal and child healthcare professionals to work towards mother-baby-friendliness. In this Seminar, Dr. Savage and local experts will expound the scientific evidence and share their experiences in putting theory into practice.

### ***Keynote Speaker: Dr. Felicity Savage***

Dr. Savage is a renowned paediatrician in teaching courses in primary care, maternal and child health, and infant and young child feeding in many countries. She has been an Honorary Senior Lecturer at the Institute of Child Health since 1979. She has been closely involved with the Baby Friendly Hospital Initiative since its inception, as a global BFHI assessor, and as a member of the UK BFI Steering Committee. Dr. Savage has been working for the World Health Organisation (WHO), specialising in the promotion of breastfeeding. She has conducted breastfeeding training in many countries. Dr. Savage was part of the team that developed the Global Strategy on Infant and Young Child Feeding, and she edited a number of technical documents on different aspects of breastfeeding for the WHO.

## **Prelude - Moving towards mother-baby-friendliness**

Date: 1 December 2011 (Thursday)

Time: 7:00 p.m. – 9:15 p.m.

[Registration starts at 6:30 p.m.]

Venue: Lecture Theatre, M/F, Hospital Authority Building, 147B Argyle Street, Kowloon

Programme:

7:00 p.m. – 7:30 p.m.

**Launching ceremony of multi-media learning kit on breastfeeding**

7:30 p.m. – 8:15 p.m.

**UK's breastfeeding journey from antenatal to postnatal & community. The revised BFHI & evidence for effectiveness as a public health intervention.**

Speaker: Dr Felicity Savage

8:15 p.m. – 8:55 p.m.

**Beyond Mere Nutrition - the Immunology of Breastfeeding**

Speaker: Professor YL Lau, *Doris Zimmern Professor In Community Child Health, Chair Professor of Paediatrics, HKU*

8:55 p.m. – 9:10 p.m.

**Question & Answer Session**

## **Part I - Mother-friendly Obstetric Practices**

Date: 2 December 2011 (Friday)

Time: 2:00 p.m. – 5:30 p.m.

[Registration starts at 1:45 p.m.]

Venue: Lecture Theatre, M/F, Hospital Authority Building, 147B Argyle Street, Kowloon

Chairperson: Dr WC Leung, *Chief of Service, Dept of Obstetrics & Gynaecology, KWH*

Programme:

2:00 p.m. – 3:00 p.m.

**The Science of Mother-friendly Obstetrics Practice.**

Speaker: Dr Felicity Savage

3:00 p.m. – 3:30 p.m.

Tea Break

3:30 p.m. – 4:50 p.m.

**Mother friendly policy, structure & practices**

Speaker: Dr. CP Lee, *Consultant, Dept of Obstetrics & Gynaecology, QMH*

**Practicing skin-to-skin contact & early initiation for all mothers: challenges & opportunities**

Speaker: Dr. KY Leung, *Chief of Service, Dept of Obstetrics & Gynaecology, QEH*

**Promoting mother-baby-friendly pain relief for normal, instrumental & caesarian deliveries**

Speaker: Dr. Frances Lui, *Associate Consultant, Department of Anaesthesiology, QMH*

**Challenges in the private sector**

Speaker: Dr. TY Fung, *Chief of Service, Dept of Obstetrics & Gynaecology, HKBH*

4:50p.m.- 5:15 p.m.

**Panel Discussion**

## Part II - Baby-friendly practices in PN wards & neonatal units

Date: 3 December 2011 (Saturday)  
Time: 2:00 p.m. – 5:30 p.m.  
[Registration starts at 1:45 p.m.]  
Venue: Chiang Chen Studio Theatre, The Hong Kong Polytechnic University, Hung Hom, Kowloon (location map attached)  
Chairperson: Professor PC Ng, *President, Hong Kong College of Paediatricians*

### Programme:

2:00 p.m. – 3:00 p.m.

#### **Putting baby-friendliness into practice.**

Speaker: Dr. Felicity Savage

3:00 p.m. – 3:30 p.m.

Tea Break

3:30 p.m. – 4:45 p.m.

#### **Getting started towards baby friendliness : policy & practices**

Speaker: Dr. NS Kwong, *Chief of Service, Dept of Paediatrics & Adolescent Medicine, TMH*

#### **Is the newborn baby getting enough breast milk?**

Speaker: Dr. William Wong, *Consultant & Deputy COS, Dept of Paediatrics, PWH*

#### **Breastfeeding a sick / preterm baby during mother-baby separation**

Speaker: Dr. KY Wong, *Consultant, Dept of Paediatrics and Adolescent Medicine, QMH*

#### **Supporting breastfeeding in private hospitals: the challenges**

Speaker: Dr. Alfred Tam, *Consultant Paediatrician, Canossa Hospital*

#### **Supporting breastfeeding from hospital to community**

Speakers: Dr. Angus Chan, *Vice President (Education & Examination), HKCFP*

Dr. Shirley Leung, *Assistant Director (Family and Elderly Health Service), DH*

4:45p.m.- 5:15 p.m.

#### **Panel Discussion**

CME/CNE/PEM Points: Pending

Target Participants:

- ♦ Doctors and nurses in-charge of obstetric and paediatric / neonatal units, senior hospital administrators
- ♦ All health professionals having frequent contacts with pregnant women and mothers of infants and young children, including obstetricians, paediatricians, midwives, paediatric nurses, family physicians, and doctors & nurses in primary care.

Enrolment:

Please complete the enrollment form and return it via email to [rnd\\_fhs@dh.gov.hk](mailto:rnd_fhs@dh.gov.hk) by the deadline. DH will inform the participants for successful enrollment before the lecture.

**Deadline for registration 4 November 2011**

Enquiry:

Miss Wing Lai at 3796 0818

Remarks:

If Typhoon Signal No. 8 or above, or Black Rainstorm Warning is still in force at 4:00 pm on 1 December 2011 or 12:00 noon on 2 & 3 December 2011, the Lecture of the day will be cancelled.

### Course on Child Protection 2011

**Date:** 26 November 2011, Saturday

**Time:** 9 am to 5 pm

**Venue:** Seminar Room 2, 1/F, Block F,  
United Christian Hospital

**Target Participants:** Associate members, Members and Fellows of the College with priority for trainees

**Objectives:**

- Sensitize participants towards child abuse and neglect in clinical practice
- Heighten awareness of child maltreatment as a worldwide problem with its implication to the child and society
- Understand the management of various forms of abuse
- Enhance practical skills in child abuse management

**Learning tools:** Lectures, Case discussions, Role play

**Trainers:** Dr Patrick Cheung, Dr Patricia Ip, Dr Patrick Ip, Prof Anna Koo, Dr Rever Li, Dr Anita Tsang, Dr Lilian Wong, Dr LM Wong

**Course fee:** \$200

**Application deadline:** 29 October 2011

*Course will be postponed when*

- a) HK Observatory has announced that Typhoon signal No. 8 is going to be hoisted.*
- b) HK Observatory has issued Black Rainstorm Warning.*
