

4 June 2020

Dear Colleagues,

The Hong Kong College of Paediatricians is going to run the 2020-21 Specialist Training Course in Paediatrics for our basic trainees. Applicants must be an Associate of our College undergoing basic training in paediatrics. In view of current COVID-19 situation and consideration on social distancing, we will limit the number of participants and will **only accept basic trainees who has reach their Year 3 of training by July 2020 and has never attended our course before.**

As for the 2020-2021 Course, we shall have teachings on Bedside Clinical Examination, Communication Skills and Lectures. All teaching sessions shall be conducted on Fridays by the Departments of Paediatrics and Adolescent Medicine of various hospitals. Tentatively it will start from the July 2020 till February 2021. For course details please refer to our Course Prospectus.

For those who are interested in attending the Course please kindly fill in the **application form** and mail it back to our College together with a **recent photograph** and the **cheque** to the following address **before 15 June 2020.**
