## Message from the Editors

As we begin to feel the summer heat from the midday sun, almost half of the year 2023 has passed. Hope it has been a productive one for all our readers! To continue your participation in CME, please remember to register for the eHKAM ID and the Learning Management System (LMS). Also, please mark your diary for the 2023 Paediatric Update No. 2 and the Annual General Meeting, scientific talk and annual dinner of the Hong Kong College of Paediatrician Foundation. More information can be found in this newsletter.

## Announcement from Education Committee

### eHKAM ID Registration and the Learning Management System (LMS)

All College fellows are reminded to register for the eHKAM ID to access the Learning Management System (LMS) as soon as possible.

From July 2023, all CME quizzes for active CME credits pertaining to the HK Journal of Paediatrics and the Hong Kong Medical Journal will be available only on the LMS and not the iCMECPD website. LMS will also be the platform for future CME activities e.g. Basic Medical Education Course.

Please visit <https://www.hkam.org.hk/en/initiative/ehkam> to find out more. You can register using the link provided by the page.

## Professional and General Affairs Committee

The College has collaborated with local paediatric subspecialty societies to give colleagues updated information on clinical practice. We are pleased to receive lists of suggested reference articles and learning materials from Hong Kong Society of Paediatric Cardiology, Hong Kong Society of Paediatric Endocrinology and Metabolism, Hong Kong Society for Paediatric Immunology, Allergy and Infectious Disease, and Paediatric Neurology Association of Hong Kong.

These are available at:

[https://www.paediatrician.org.hk/index.php?option=com\\_content&view=article&id=205&Itemid=121](https://www.paediatrician.org.hk/index.php?option=com_content&view=article&id=205&Itemid=121)

We hope members would find them interesting and helpful to their clinical practice. We would also like to sincerely thank all subspecialty society presidents and their councils for their kind support and expertise.
