Final Call for Application of First Fellows of the Subspecialty of Developmental Behavioural Paediatrics (DBP)

To All Fellows of Hong Kong College of Paediatricians

I have pleasure to inform you that our College has completed the accreditation process of the DBP Subspecialty and the Subspecialty has been endorsed by the Hong Kong Academy of Medicine in April 2013. Application is under way to have DBP included in the Specialist Register of the Medical Council of Hong Kong. The DBP Subspecialty Board has resolved to start the formal training programme on 1 December 2013.

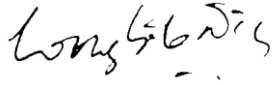

According to Guideline of the Hong Kong Academy of Medicine (see Appendix), College will cease admitting First Fellows after the “cutoff date” (i.e. the date when the formal Training Programme starts, which is 1 December 2013 for DBP Subspecialty). Thus we are making a FINAL CALL for First Fellows application for the DBP Subspecialty.

Fellows who wish to be considered for First Fellows in DBP should respond to this Final Call, if they have not already done so. **No application for DBP First Fellows will be accepted after the deadline stated below.**

Interested Fellows please submit the following application documents to the College Honorary Secretary at Room 801, Hong Kong Academy of Medicine Jockey Club Building, Wong Chuk Hang Road, Hong Kong **on or before Thursday 6 June 2013.**

1. The First Fellows Application Form (which should be duly signed);
2. Documentary evidence of your supervised training (please give reason if not available);
3. A brief curriculum vitae highlighting your relevant subspecialty experience; and
4. A cheque of \$ 3000 (payable to “Hong Kong College of Paediatricians”).

Please be informed also that for administrative reasons, we will only make ONE (which is the FINAL) CALL for First Fellows applications for all future subspecialties.
