Message from the Editors

A SPECIAL day on 6 December 2014 (Saturday) -- 23rd Annual General Meeting, 2nd Annual Scientific Meeting, Fellows Conferment Ceremony cum Annual Dinner – Business, Knowledge, Congratulations cum Fun

The 23rd College Annual General Meeting is drawing near! Building on last year's great success, the forthcoming AGM will also be linked with the Second Scientific Meeting

The SPECIAL day on 6 December begins early with a full-day programme of scientific sharing and exchange. The educational content of the ASM is amazing, encompassing inter-subspecialty case discussion and office paediatrics. The Young Fellows' Session is definitely another highlight and we are all welcome, regardless "young" or "old". Follow suit are the AGM and Fellows Conferment. We sincerely congratulate all the New Fellows/ Subspecialty Fellows and Members who will receive their hard-earned certificates.

Last but not least is the always-joy-filled Annual Dinner. New Members, Fellows, Subspecialists and their spouses / family members are cordially invited. We all, of course, shall treasure this golden occasion to have a good meal and touch base with friends in the College community. At \$200 each person, it's too good to be missed. So, please hurry to invite your beloved family and your colleagues to join the great event! Please refer to the registration form in **Appendix I**.

Annual Social Function 2014

Half-day Tour to Kam Shan Country Park (Monkey Hill) & Jao Tsung-I Academy

馬騮山德羅塘 - 饒宗頤文化館 - 銀杏館晚宴 - 大半天身心文化吃喝玩樂之旅

The College Social Function will take place on 2 November 2014, Sunday. It starts with a tour to Kam Shan Country Park (Monkey Hill) where participants can enjoy scenic beauty of the Kam Shan Family Walk. It will be followed by a trip to Jao Tsung-I Academy. A half-hour guided tour will be provided by the Academy, after which participants can tour around the Academy at will. Dinner will be served at Gingko House, a social enterprise creating job opportunities for the elderly.

「本土、保育、活化、低碳、環保、文化、傳承、社企」都是近年新一代熱話的詞彙，有想過一天內可以有齊以上的體驗嗎？

現座落於荔枝角山崗上的「饒宗頤文化館」，是香港特區政府發展局「活化歷史建築伙伴計劃」的首批活化項目，亦是當代國學大師饒宗頤教授期待迎接中國文藝復興來臨的月台。

「饒宗頤文化館」以社企形式營運，紅磚牆的古樸建築設計，伴蝶影風輕，社企集團《銀杏館》亦有幸被邀請成為伙伴，為活化項目負責營運餐館及支援其酒店的餐飲服務。

從文化國學走向社企，從社企探究本土文化，讓一次文化之旅頓感豐足飽滿。賞一心國學，吃一口文化。

Support for the Seasonal Influenza Vaccination Program

A joint press conference on promulgation of seasonal influenza (SI) vaccination was convened by the Centre for Health Protection (CHP) on 30 September 2014. Representatives of the Hong Kong Academy of Medicine and the Colleges listed below were invited to speak at the press conference. Our College was represented by Prof YL Lau to stress the benefit of vaccine for children aged 6 months to 6 years. The Consensus Statement (**Appendix III**), which is jointly issued by the following organizations, is enclosed for your information. As influenza vaccines are safe and effective, paediatricians are urged to encourage parents to bring forward their children for seasonal influenza vaccination for better protection of their health.
