1. Tse Hang Yu
2. Wan Hin Fan, Stephen

The following doctors were recommended for elevation to Membership.

1. Chan Yau Ki, Wilson
2. Cheung Wing Lum
3. To Pui On, Simon

Education Committee

2015 Paediatric Update No. 2

Please be informed that the second Paediatric Update seminar in 2015 will be held on **19 July 2015 (Sunday Afternoon) from 2:00pm to 5:00pm** at the Lecture Theatre, Ground Floor, M Block of **Queen Elizabeth Hospital**. The seminar will be on “**Medico-Legal Issues**”. Several exciting talks will be delivered by our local experts. We look forward to your support and participation in this CME activity. **THREE** Category A CME points will be awarded.

The 2015 Annual scientific meeting will be held on **5 and 6 December 2015**. Please mark your diary accordingly.

Update Series on Child Health 2015

Update Series on Child Health is jointly organized by Hong Kong College of Paediatricians, the Hong Kong Paediatric Society and Hong Kong Paediatric Nurses Association annually. This year we have four sessions with our local experts speaking on a variety of topics of interest to paediatricians, general practitioners and paediatric nurses. **The first session** is scheduled on **Saturday afternoon 13 June 2015**.

Enclosed please find the poster (**Appendix I**), the registration form (**Appendix II**) and the venue (**Appendix III**) for your reference. You can also click the following link to download the form.

The Child Protection Course

The College will be conducting the 8th Child Protection Course on **Saturday, 7 November 2015** at **Hong Kong Academy of Medicine Jockey Club Building**. It will be a whole day training course consisting of lectures, case discussion and role-play. Associate members, Members and Fellows of the College are welcome to apply. Priority will be given to trainees.

Please kindly note that the aforementioned course has become a mandatory requirement within the six years of paediatric training for College trainees who start their basic training on or after 1 July 2009.

Scientific and Research Subcommittee

2015 Best Young Investigator Prize

To encourage research by colleagues, a Best Young Investigator Prize will be awarded annually to the best paper published between 1st July of previous year and 30th June of the awarding year.

Eligibility

Entry into the Best Young Investigator Prize competition is voluntary.

Applicants must be members of the Hong Kong College of Paediatricians AND aged 46 years or under as at 30th June 2015.

The papers should be written in English or translated into English if they are written in languages other than English.

Only the first author **or** corresponding author is eligible to apply. One paper is eligible for only one submission. Each paper will be allowed to compete for only one prize.

The decision of the assessment panel will be final.

Submission

Submission deadline for the year 2015 Prize is 31st August 2015. Interested colleagues can email their papers (PDF or MS Word format) together with the Application Form (**Appendix IV**) to the College Secretariat (enquiry@paediatrician.org.hk) on or before 31st August 2015.

The Best Young Investigator Prize will be presented during the College annual dinner in December.

Information on Childhood Obesity - from Department of Health

Childhood overweight and obesity is a growing health concern globally, in both developed and developing countries. Hong Kong is no exception. The Non-communicable Disease Watch of the Centre for Health Protection, Department of Health has recently issued a “Watch” document that has included a comprehensive overview of the problem, incorporating substantial local and international literature, and practical recommendations to help curb the growth of this health problem. Please click into the following website for relevant information and useful advice.

The link to the document is http://www.chp.gov.hk/files/pdf/ncd_watch_mar2015.pdf

CME Category A Activities

Listed below are CME Category A activities organized by the HKCPaed, various paediatric societies and institutions, and selected paediatrics-focused topics. For the complete list of Category A activities, including continuous courses, and Category B activities, please refer to the homepage of the HKCPaed.

The accuracy of the information has been checked according to the details submitted by the responsible organizers. The information below is abstracted from the College Web site on 22 May 2015. *Members and fellows are reminded to contact the enquiries listed below for last-minute alternations.*
