## Message from the Editors

Hope you are having a relaxing summer as you read the latest issue of the newsletter. The next main event of the college is the annual general and scientific meeting scheduled for 5 and 6 December. Read on for further details and do mark your diary for this important occasion.

## Achievements

Our College Members continue to serve the Hong Kong community with undoubted passion and amazing dedication. One of the very well-deserving award recipients on this year's Honours List is Dr. Lee Ka Yan, David who was awarded the Bronze Bauhinia Star (BBS).

Dr. Lee, please accept our sincerest congratulations and we look upon respectfully your exemplary role-modelling!

## 24<sup>th</sup> Annual General Meeting

Time flies and it's our announcement time again about our Annual General Meeting! The 24<sup>th</sup> Annual General Meeting of the College will be held on 5 December 2015 (Saturday). As we know, this is the biggest College event every year.

Following suit is the conferment of Fellowships, and the welcome to New Members and New Associates, which in previous years has been well attended by officials of the HKAM, Sister Colleges, notables from the medical and health profession and statutory organisations. It is always a solemn but touching moment for all present.

The fun of the day can only be complete when we join the Annual Dinner at the Run Run Shaw Hall where we can all relax and indulge in a special evening of fraternity and passion.

With the great success of the clinical seminars and remarkable turnout of participants and entrants in the poster and oral presentations at the previous Annual Scientific Meeting, the 3<sup>rd</sup> ASM is to be extended to one and a half days (5 – 6 December). Other than subspecialty topics, to cater for the diverse needs and broad interests of our Members, the clinical seminars also include a session particularly dedicated to office paediatrics and a session organized by the newly established Young Fellows Subcommittee with fresh ideas.

So, please be sure to mark on your diary these dates, 5 and 6 December, invite your beloved family / best friends/ fantastic colleagues to join in, and be kept in tune with further announcements!

# Announcement from Committee for Subspecialty Boards

To: All Fellows, Members and Associates of the College

Please read this **IMPORTANT** announcement about the application for accreditation of the Subspecialty of Paediatric Endocrinology and Metabolic Medicine (PEMM).

Our College has started to accredit paediatric subspecialties since 2012. This is in line with modern clinical practice, the need for credentialing and for preparation of the future Children's Hospital. The accreditation was done through a fair and stringent system, involving setting standard guidelines, open consultation to all College Fellows, and inviting an internationally renowned External Assessor and representatives of sister Colleges. The definition of a subspecialty has to be based on the pre-requisite criteria set by the Hong Kong Academy of Medicine. Our College also has pre-set standard accreditation procedures of any proposed new subspecialty. So far we have accredited the Subspecialties of Paediatric Immunology and Infectious Diseases (PIID), Developmental Behavioural Paediatrics (DBP) and Paediatric Neurology (PN). The Paediatric Respiratory Medicine (PRM) subspecialty will also be processed in the near future.

We now announce that our College has received an application for accreditation of the Subspecialty of Paediatric Endocrinology and Metabolic Medicine (PEMM). The application documents (The application forms, proposed training programme, curriculum vitae of external referees and programme leaders, and supporting letters from external referees) have been uploaded onto the College website for your information and downloading. Please follow the link below to access the section on Subspecialties → Paediatric Endocrinology & Metabolic Medicine → “Application for Accreditation of Subspecialty of Paediatric Endocrinology & Metabolic Medicine”:

<http://www.paediatrician.org.hk/>

A full set of the documents is also kept at the College Secretariat at Room 801, Hong Kong Academy of Medicine Jockey Club Building and interested Fellows can come to read them during office hours from Monday to Friday.

In accordance with the pre-agreed logistics of handling any such application, we are making this announcement and inviting ALL Fellows, Members and Associates to give your comments on this application. This is an important step in the future development of paediatric service and may also have a big impact on paediatric practice in hospitals and in private practice in future.

**Please send in your comments on the proposal on or before 15 September 2015 (Tuesday).** The College will decide the way forward basing on the consensus opinion of our Fellows.

## Announcement from Scientific & Research Subcommittee 3<sup>rd</sup> Annual Scientific Meeting 2015

We are pleased to announce that College will be hosting a one and a half day Annual Scientific Meeting this year at the **HK Academy of Medicine Building**, half day on **Saturday, 5<sup>th</sup> December 2015**, immediately preceding the College AGM and Annual Dinner, and full day on **Sunday, 6<sup>th</sup> December 2015**. The meeting will consist of case-based symposia, a free paper session, a session on Office Paediatrics and a “Young Fellows’ session”. There is also a session on medico-legal ethics presented by a legal expert. This will be a unique opportunity for paediatricians to discuss, share and update clinical paediatric knowledge in an interactive way. Focus will be on cross-disciplinary holistic care of children, scientific updates and presentation of the latest in paediatric research. Details of the Meeting, including the Scientific Programme are attached (Appendix 1 and 2) and can be downloaded from this web-link (<http://goo.gl/vGgqxx>).

### **Registration on or before 13<sup>th</sup> November 2015**

By email ([enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk)) or fax the completed registration form (Appendix 3) to 2785-1850.

### **Abstract submission deadline: 5<sup>th</sup> October 2015**

We invite submission of abstracts to the Free Paper Session (both clinical and basic science research are welcome). In particular, young investigators are encouraged to submit abstracts to make this meeting a success. You may select “oral presentation” if you do wish to be considered for an oral presentation during the free paper session.

Please email your abstract to the College Secretariat ([enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk)) and c.c. Dr. Brian CHUNG ([paedoff@hku.hk](mailto:paedoff@hku.hk)) using the instructions on the attached abstract submission form (Appendix 4) which can also be downloaded from the College website (<http://goo.gl/vGgqxx>). Notification of abstract acceptance and selection for oral presentations will be sent by email in November. Prizes will be awarded for the best oral and poster presentations. All selected abstracts will be published in the Hong Kong Journal of Paediatrics (new series). Due to copyright issues, identical abstracts that have been submitted and presented previously will not be accepted for this meeting.

Please mark the date of this important event in your diary and register early. Thank you for your support.

### **2015 Best Young Investigator Prize**

To encourage research by colleagues, a Best Young Investigator Prize will be awarded annually to the best paper published between 1<sup>st</sup> July of previous year and 30<sup>th</sup> June of the awarding year.

### **Eligibility**

Entry into the Best Young Investigator Prize competition is voluntary.

Applicants must be members of the Hong Kong College of Paediatricians (including Associate Members, Members and Fellows) AND aged 46 years or under as at 30<sup>th</sup> June 2015.

The papers should be written in English or translated into English if they are written in languages other than English.

Only the first author or corresponding author is eligible to apply. One paper is eligible for only one submission. Each paper will be allowed to compete for only one prize.

The decision of the assessment panel will be final.

### **Submission**

Submission deadline for the year 2015 Prize is 31<sup>st</sup> August 2015. Interested colleagues can email their papers (PDF or MS Word format) together with the Application Form (Appendix 5) to the College Secretariat ( [enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk) ) **on or before 31<sup>st</sup> August 2015.**

The Best Young Investigator Prize will be presented during the College annual dinner in December.

# Announcement from Education Committee

## Update Series on Child Health 2015

Please be informed that the 2015 Update Series on Child Health has started on Saturday 13 June 2015. The next 3 sessions will be on Saturday afternoon of 18 July, 1 Aug, and 22 Aug 2015. To be environmentally friendly, no hardcopy handouts will be distributed at the meeting, but members can access the powerpoint presentation PDF files of some of the lectures in the Members' Areas of the websites of Hong Kong College of Paediatricians, Hong Kong Paediatric Society and the Hong Kong Paediatric Nursing Association.

Please click the following link to access the files:

[http://www.paediatrician.org.hk/index.php?option=com\\_content&view=article&id=140&Itemid=115](http://www.paediatrician.org.hk/index.php?option=com_content&view=article&id=140&Itemid=115)

Please note that a member login is required to view the files.

## The Child Protection Course

The College will hold the 8<sup>th</sup> Child Protection Course on **Saturday, 7 November 2015** at **Hong Kong Academy of Medicine Jockey Club Building**. This will be a whole day training course, consisting of lectures, class discussion and role-play and is open to Associates, Members and Fellows of the College. Since completion of the Child Protection Course is a mandatory requirement before the Exit Assessment, Training Supervisors may wish to plan ahead for release of their trainees to attend the Course. Course information and application details will be available in October 2015.

## Paediatric Advanced Life Support Course (PALS) 2015

The big PALS classes this year are scheduled as follows:

Provider Course I – Monday & Tuesday, 14-15 September, 2015

Provider Course II - Wednesday & Thursday, 16-17 September, 2015

Dr. Alfred HuYoung and experienced paediatricians will be teaching these courses.

An additional lecture on “post-resuscitation stabilization” will be provided to HA doctors.

There will also be small classes in November and December 2015. These courses are now open for registration. Doctors working in HA Paediatric Departments will be sponsored by HAHO. Enrolment form is available at <http://www3.ha.org.hk/aetc/enrollment.htm>. For enquiry, please call: 3553 3300, or email to [aetc\\_rhtsk@ha.org.hk](mailto:aetc_rhtsk@ha.org.hk).

The PALS Course is part of the College Basic Training Curriculum. College trainees are required to complete the PALS Course before the end of their Basic Training period.

# Announcement from Examination Committee

## Results of recent examinations

Date	Examination	Pass / No. of sittings	Pass rate
12 May 2015	MRCPCH Applied Knowledge in Practice Exam	16/20	80%
9 June 2015	MRCPCH Foundation of Practice, Theory and Science Exam		
	Foundation of Practice	2/10	20%

	Theory and Science	11/13	85%
18 June 2015	32 <sup>nd</sup> Exit Assessment	10/10	100%

### 35<sup>th</sup> Exit Assessment

The 35<sup>th</sup> Exit Assessment will be held on 17 December 2015 (Thursday). The closing date for receipt of completed application and associated documents is **2 October 2015**. Details of application and application form can be downloaded from the College website.

For all trainees who started their basic paediatric training on or after 1 July 2009, a proof of completion of a formal **Child Protection Course** within their 6-year Paediatric Training Programme should be submitted along with the application.

## CME Category A Activities

Listed below are CME Category A activities organized by the HKCPaed, various paediatric societies and institutions, and selected paediatrics-focused topics. For the complete list of Category A activities, including continuous courses, and Category B activities, please refer to the homepage of the HKCPaed. The accuracy of the information has been checked according to the details submitted by the responsible organizers. The information below is abstracted from the College Web site on 27 Jul 2015. *Members and fellows are reminded to contact the enquiries listed below for last-minute alternations.*

<b>Aug 2015</b>		
5 Aug	Topic:	<b>Rotavirus Infection in Children: Disease Burden and Prevention</b>
	Venue:	Tai Pan Restaurant, 1/F., HK Gold Coast Yacht and Country Club
	Time:	14:00-15:00
	Speaker:	Dr. Cheng Man Yung
Cat. A 1 pt	Organizer:	New Territories West Practising Practitioner's Network
	Coordinator:	Ms. Katie Tam
	Enquiry:	Tel: 31658286

20 Aug	Topic:	<b>Adolescent idiopathic scoliosis - from research to clinical practice</b>
	Venue:	Prince of Wales Hospital
	Time:	13:00-14:00
	Speaker:	Dr. Tsz Ping Lam
Cat. A 1 pt	Organizer:	Chinese University of Hong Kong

# Hong Kong College of Paediatricians

## 3<sup>rd</sup> Annual Scientific Meeting 5-6 December 2015

Pao Yue Kong Auditorium

Hong Kong Academy of Medicine Jockey Club Building

- ❖ Case-based symposia
- ❖ Office Paediatrics and Young Fellows' Session
- ❖ New law on informed consent - How does that affect your practice?  
Mr. Woody Chang
- ❖ Scientific updates and research achievements

### *Symposia*

#### *Symposium A*

- A teenage girl with decreased growth velocity, wasting and pubertal delay

#### *Symposium B*

- A boy with haemoptysis and skin rash

#### *Symposium C*

- An adolescent girl with weight loss and multiple other complaints

Registration & Abstract Form: <http://goo.gl/vGgqxx>

**CME Accreditation:** HK College of Paediatricians (Category A)  
6 points for full day program  
3 points for half day program

### *Office Paediatrics*

- Management of fever
- Treatment of cough

### *Young Fellows' Session*

- Patient support groups
- Community support for paediatric patients

### *Free Paper Session*

- Presentations on scientific, translational, clinical and public health-related research are welcome
- Prizes for outstanding papers
- **Abstract submission deadline:**  
**5<sup>th</sup> October 2015**

Co-sponsored by: Hong Kong Society for Paediatric Immunology and Infectious Diseases 

Co-organised by: Hong Kong Society for Adolescent Health 

Hong Kong Society of Paediatric Cardiology 

Hong Kong Society of Paediatric Endocrinology and Metabolism 

Hong Kong Society of Paediatric Gastroenterology, Hepatology & Nutrition 

Hong Kong Paediatric Nephrology Society 

Hong Kong Society of Paediatric Respiriology and Allergy 

Hong Kong Society for Paediatric Rheumatology

### ABSTRACT SUBMISSION FORM

**Abstract submission deadline: 5 OCTOBER 2015**

Presenting author contact details:

Title Prof / Dr / Mrs / Ms / Miss / Mr

\*Presentation preference:

Oral  Poster  No Preference

Name

\_\_\_\_\_  
Surname

\_\_\_\_\_  
First/middle name(s)

Institution \_\_\_\_\_

Your contact telephone \_\_\_\_\_

Your email address \_\_\_\_\_

There will be prizes awarded in both oral and poster categories.

Please circle most appropriate category:

Clinical – Basic trainee / Higher trainee / Fellow for < 5 yrs / Fellow for ≥ 5 yrs

Non-clinical – Bachelor / MPhil / PhD / post-doctoral Fellow for < 5 yrs / Fellow for ≥ 5 yrs

#### Instructions:

1. Abstract title – must be in UPPER CASE and is limited to 25 words
2. Author or authors' names: family name, initial(s) of first name(s)
3. Affiliation details of all authors: Department, Institution / Hospital
4. Abstract text – limited to 350 words including acknowledgements (fewer if a figure is included in the abstract)
5. Abstracts should follow a structured format:
  - Background and aims
  - Methods
  - Results
  - Conclusions
6. Abstracts must be in English
7. Abstracts should be submitted in MS Word (or similar) format via email to College Secretariat ([enquiry@paediatrician.org.hk](mailto:enquiry@paediatrician.org.hk)) c.c. Dr Brian Chung ([paedoff@hku.hk](mailto:paedoff@hku.hk))
8. Abstracts will be published directly from the electronic submission and may be edited and formatted
9. Presenting authors will receive email notification of the receipt of abstract

*\*Final decision regarding mode of presentation will be at the discretion of the organisers*
