Abstract submission: Free Paper Sessions

Submission deadline: 7th September 2016

We invite you to submit your abstracts to the Free Paper Session (both clinical and basic science research are welcome). In particular, young investigators are encouraged to submit abstracts to make this meeting a success. You may select "oral presentation" if you do wish to be considered for an oral presentation during the free paper session.

Please email your abstract to the College Secretariat (enquiry@paediatrician.org.hk) using the instructions on the form which can be downloaded from the College website (http://www.paediatrician.org.hk/index.php?option=com_content&view=article&id=153&Itemid=116). Notification of abstract acceptance and selection for oral presentations will be sent by email in November. Prizes will be awarded for the best oral and poster presentations. All selected abstracts will be published in the Hong Kong Journal of Paediatrics (new series). Due to copyright issues, identical abstracts that have been submitted and presented previously will not be accepted for this meeting.

Please mark the date of this important event in your diary and register early.

Thank you for your support.

Yours Sincerely,
