

1. Download iCMECPD apps from Playstore

2. Capture Attendance	3. Either capture by QR code (scan the QR code onsite) or Numeric Code	4. Enter Numeric Code (please check onsite or on webinar screen)
 <p>The screenshot shows the iCMECPD app interface. At the top, it says 'Welcome Dr. Fellow, PD' and 'PD (Paediatrics)'. Below this, it shows 'Total: 0.00 Non-passive: 0.00 Passive: 0.00' and 'Last Updated Date: 22/Dec/2019'. Under the 'ATTENDEE MODE' section, there are four options: 'View My CMECPD Profile', 'Capture Attendance' (circled in red), 'View Attendance Records', and 'Event Calendar'. At the bottom, there is a 'Change Password' option. A blue arrow points from the 'Capture Attendance' option to the next screen.</p>	 <p>The screenshot shows the 'Capture Attendance' screen. It has a 'BACK' button at the top left. The main content area has two large blue buttons: 'QR CODE' and 'NUMERIC CODE'. The 'NUMERIC CODE' button is circled in red. A blue arrow points from the 'QR CODE' button to the next screen.</p>	 <p>The screenshot shows the 'Numeric digit Code' screen. It has a 'BACK' button at the top left. The main content area has a dashed line followed by the text 'for event held on' and the date '3 Dec 2022' (highlighted in a box). Below this is a blue 'SUBMIT' button. At the bottom, there is a numeric keypad with digits 1-9, 0, and a decimal point, along with some navigation buttons.</p>
