

HONG KONG COLLEGE OF PAEDIATRICIANS
Paediatric Haematology & Oncology
Log sheet of clinical cases

Name of trainee: _____

Rotation#: LLH / STNO / BMT / General Haem / Elective (Pls specify _____)

This form should be filled in during PHO subspecialty training. Please use one log sheet for each rotation.

The trainee should keep record of the clinical cases and submit the log sheets to the Hong Kong College of Paediatricians when applying for Exit assessment. A record of a minimum of 5 to 10 cases with learning points or educational value is recommended.

Please use additional log sheets if necessary.

No.	Date (dd/mm/yy)	Age/Sex	Hospital number	Hospital / centre <small>(Please specify if outside HKCH)</small>	Diagnosis and brief description of the case
e.g.	9/11/2022	9y / M	HN12345678(9)	PWH	Transfusion dependent thalassaemia, iron overload in heart and liver
