

Hong Kong College of Paediatricians
香港兒科醫學院

16 May 2008

Dear Fellows, Members and Associates,

We are all shocked by the devastation and human suffering in Sichuan Province in China as a result of the earthquake on 12 May 2008. Our College Council has written to Professor Yonghao Gui, President of 中華醫學會兒科分會 and Professor Li Tingyu of 重慶市醫學會兒科分會 to offer help in whatever capacity that these Associations deem fit. The Hong Kong College of Paediatricians and the Hong Kong College of Paediatricians Foundation have set up a special bank account specifically for donations to support worthwhile earthquake relief projects in China (China Earthquake Relief Fund). Our College and College Foundation would like to appeal to you all to donate generously into this Fund and we pledge that this Fund will only be used to support worthwhile projects which will benefit the physical and psychological health of children and adolescents living in the areas affected by the catastrophe. Donations in the form of **cheques should be addressed to "Hong Kong College of Paediatricians Foundation"** and sent to the College Secretariat, Room 801, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong. Alternatively, donations can be directly transferred into the **Foundation's Hang Seng Bank account no. 024-385-062880-001. The donor should then fax the receipt of the transfer to the College Secretariat at fax no. 2785 1850 and make sure that the NAME IS PRINTED on the receipt.** An official receipt will be issued by the Hong Kong College of Paediatricians Foundation for tax exemption purposes. A list of donors to the China Earthquake Relief Fund will be posted on the College website.

Once again, on behalf of the College Council and the Hong Kong College of Paediatricians Foundation, we appeal to you all to give generously.

Professor Louis CK Low
President
Hong Kong College of Paediatricians

Dr Leung Tze Ching, Vincent
Chairman
Hong Kong College of Paediatricians Foundation
